Don't miss the events at the Belgian Pavilion at SMART CITY EXPO 2026! Join us to explore the future of smart cities through pitch sessions, discussions and networking.

Explore the programme and join us at booths D41/D43 in Hall 3 for your preferred sessions.

Opening Speech by Minister-President of Flanders at the Belgian Pavilion

November 3, 2026 10:30 – 11:30

The Minister-President of Flanders will open the Belgian Pavilion and take a guided tour of the Flemish organisations exhibiting there.

International Pitch Session

November 3, 2026 12:30 – 14:00

AWEX is organising an international pitch session at the Belgian Pavilion's Speakers' Corner, featuring companies exhibiting at the pavilion and companies, research centers and universities joining the delegation led by GreenWin, the Walloon CleanTech Innovation Cluster for Chemistry, Construction & Building and Environment.

Event main language: English. Open to the public.

Pitches by Flemish companies and public authorities

November 3, 2026 15:30 – 16:30

FIT is organising a pitch session where Flemish local authorities and companies will present their challenges and solutions at the Belgian Pavilion's Speakers' Corner. Event main language: English. Open to the public.

Pitches by Flemish companies and public authorities

November 4, 2026 11:00 – 12:00

FIT is organising a pitch session where Flemish local authorities and companies will present their challenges and solutions at the Belgian Pavilion's speakers' corner. Event main language: English. Open to the public.

Belgian Beer Time

November 4, 2026 17:00 – 18:30

The "Belgian Beer Time" has become a signature event at Belgian Pavilions around the world. The concept: networking, talks and disruptive ideas to be shared along fresh Belgian craft beers!
Event by invitation only.
